

## LETTER

Written by Judge  
Harmon Defines  
Position

### THE LIQUOR QUESTION

Mr. Harmon Refuses to  
Become Ally of  
Either Side

Would Not be Ruled by Liberty  
League Any More Than by  
Anti-Saloon People.

Columbus, O., Sept. 5.—Judson Harmon, of Cincinnati, candidate on the Democratic ticket, was in the city on Friday, ostensibly to attend the state fair, but it is now taken that the real purpose of his visit was to make known just where his position is on the temperance question, which the Republicans are so earnestly insisting is the paramount issue of the campaign.

In a letter addressed to Lloyd F. Bean, of Brecon, O., which he made public, Mr. Harmon states plainly his position on the matter at issue and declares that he is not the candidate of any organization whatever other than the Democratic party and if elected to office neither the Anti-Saloon league nor the Personal Liberty league which is said to be working in the interests of the liquor traffic of the state, will dictate his policies or appointments.

In one paragraph Mr. Harmon does not spare words of emphasis in point-

wise, and I have believed that the candidates it nominated were bound by that omission not to import into the campaign and question on that subject.

"This was not because the Democrats are not as keenly alive as any others to the evils of intemperance and to the necessity of dealing with them by law. The laws we now have were enacted by bipartisan votes of a Legislature of which Democrats controlled one house and Republicans the other.

"The Republican politicians, however, hoping to divert attention from the neglect and misconduct of the state officials whom they wish to keep in power, are trying to raise a false issue about temperance, and to accomplish this do not hesitate to lie freely about me.

"As everybody knows, these politicians were for years in close alliance with the liquor interests, getting their solid support in return for promises of protection.

"Governor Harris owes to this support the election under which he is serving out the term of our lamented Governor Patterson. It was doubtless this which made him refuse to preside at the meeting in the municipal campaign at Columbus last fall, which Governors Folk and Hanly addressed, where temperance was the sole issue.

"The parties to this alliance have now fallen out, and the liquor interests are seeking revenge for broken promises.

"The only way to defeat Governor Harris is to support me. I have not asked or wished them to endorse me as their candidate, because I am not their candidate, nor the candidate of anybody except the Democratic party. If they are supporting me it is not because of anything I have said, done or promised. The same is true of the many strong temperance people throughout the state who are supporting me.

"If I am elected all the laws of the state will be enforced while I am governor. If any question of further legislation should come before me I shall carry out the will of the people if I can ascertain it. Otherwise I shall take the course which will be for the best interests as it shall be given me to see them.

"I shall be glad to have anybody vote for me who wishes to do so, but it must be on the above understanding and no other. I am not cross-examining voters who propose to support me to see whether I approve all the views

## FIRE

Destroys the Mining  
Town of Raw-  
hide, Nev.

### LARGE PROPERTY LOSS

Tons of Dynamite Used  
to Check the  
Flames

Over Three Thousand People are  
Homeless—City Will be Re-  
built at Once.

Rawhide, Nev., Sept. 5.—Standing in the still smoking ruins of their town the citizens met today and prepared to rebuild the place. Undaunted by the fire which caused \$1,000,000 loss and left 3,000 people homeless and facing starvation, the inhabitants adopted the words, "Watch us grow," as their slogan.

Relief trains, loaded with clothing and provisions, are arriving from all sides today and more are on the way. Workmen are busy clearing away the ruins and as soon as this work is finished a reconstruction of the place will be pushed.

The town's fire was well illustrated when W. T. King, president of the Rawhide Coal and Iron company, sent the following message to Reno today in connection with the order for a special train: "Send it right away. We've got the money to pay for it." With this order also went an order for enough lumber to rebuild many destroyed buildings.

Rawhide, Nev., Sept. 5.—Three thousand people homeless, a score or more injured, and property loss of over \$750,000 is the result of a disastrous fire which started in the Rawhide Drug company's building. Flanned by a gale, the fire swept rapidly south and east to Balloon avenue and up Rawhide avenue to within 50 yards of the People's Hospital.

Over a ton and a half of dynamite was used in demolishing the buildings, which in a measure stayed the flames' progress. The volunteer fire department and 500 miners worked heroically, but on account of the inflammable construction of the buildings they were swept away like tinder.

Among the first buildings to go was Collins's hardware store, which contained two tons of dynamite that exploded with a terrific report, hurling burning planks and boards a great distance, setting fire to numerous buildings. Many people were slightly injured by flying debris but none is reported seriously hurt.

Many acts of heroism are reported. A famine was feared, as all the supply houses and grocery stores were wiped out. A subscription list was started, and in a few minutes over \$5,000 was raised, and a relief train started from Reno at 4 o'clock carrying thousands of pounds of food and bedding.

Plans were well under way for a reconstruction of the town before the ashes were thoroughly cool.

The Press-Times and Rustler newspapers' offices were saved, although the machinery of the news plant was destroyed. The fire was brought under control after destroying the entire business section with the exception of one grocery store, which has sold all its provisions, and unless food is rushed here there will be much suffering.

Two commercial travelers are reported to have lost their lives in the burning of the Ross Hotel, but this has not been confirmed. The town has been placed under martial law.

## TOLL

OF THE FOURTH OF JULY VIC-  
TIMS REACHES ENORMOUS  
FIGURES.

Chicago, Sept. 5.—Five thousand, six hundred and twenty men, women and children, mostly children maimed for life or killed, is the toll of the 1908 Fourth of July victims, according to the American Medical association Journal. The Journal is a biting editorial points to the necessity for a sane Fourth. The number of casualties is 1214 more than last year, though the number of deaths is less.

## SPEAKERS WHO OPENED THE REPUBLICAN NATIONAL CAMPAIGN IN OHIO

GOVERNOR HUGHES

SENATOR BEVERIDGE

Youngstown, O., Sept. 5.—The opening of the national Republican campaign in this city today finds the affairs of the Republican party in so far as they relate to that event, and the affairs of the Republican managers of Ohio, in a state of chaos, bordering on demoralization.

There is strife and contention among the members of the party who came here to manage the opening of the campaign, each blaming the other for the deplorable state of affairs, and every man is trying to lift the censure from his own shoulders.

Chairman H. A. Williams, while acknowledging that arrangements for the opening are disappointing claims he is not to blame, but he, for one carefully refrains from putting the blame on any individual, presumably with the fear in his mind that he might step on the toes of somebody with corns.

The city is without decorations. No funds were provided according to the local managers, for expenses for the opening.

In view of the reconciliation at Toledo, when Senator Foraker and Taft figuratively fell on each other's necks before the shouting thousands, some members of the state committee thought it would be a nice thing to surprise everybody by having the Senator at the Youngstown meeting after all. So an invitation to him was framed up and sent to him by telephone asking that he be present today. The Senator's reply was flatly negative and to judge by the manner in which it was received, with Chairman Williams standing beside the phone, the Senator must have added a few words that stizzled. He said with all the emphasis he could command, that he would not attend the opening and abruptly left Mr. Williams' spokesman standing at the phone.

Chairman H. A. Williams of the state committee has declared officially that he is not responsible for the condition of affairs which exists. He says that he knows nothing regarding the unfortunate state of affairs at the Sandusky meeting, the refusal of the committee to appoint a negro speaker for the opening, lack of funds and decorations, etc.

The streets were crowded with marching and singing clubs, politicians of great and little influence, bands and automobiles carrying distinguished guests and just plain people.

A number of the committeemen think there would have been a better showing of harmony if Taft and Foraker had been present.

Governor Hughes of New York was the first speaker to arrive. Senator Beveridge came with the American club of Pittsburgh, and Governor Harris with the Tippecanoe club of Cleveland. The governor had been advised by the local committee to cut his speech as it was too long and dry. He has promised to speak extemporaneously for a few minutes.

At 11 o'clock the parade moved, there being several thousand in line. The speaking began at 2 o'clock this afternoon in Wick's park. Congressman James Kennedy was the temporary chairman and S. A. Taft Manager Arthur Vories,erman chairman.

After the meeting had been called to order Rev. W. S. Scarborough,

president of Wilberforce university, delivered the invocation. Governor Harris was the first speaker, and was followed by Hughes and Beveridge. Long before the speakers had finished the crowd had dwindled to a very small number.

The big opening, which has been so extensively advertised turned out to be a very tame affair and the local committeemen are sorely disappointed as the merchants and business men of the city had prepared to take care of tens of thousands.

## STILL ANOTHER

COSMOPOLITAN NATIONAL BANK  
OF PITTSBURG CLOSED AND  
RECEIVER APPOINTED.

Cashier Declares There Was No  
Reason for the Step and Says It  
Is An Outrage.

Pittsburg, Sept. 5.—The comptroller of currency has ordered the Cosmopolitan National bank of this city, closed, and appointed Robert Lyons, receiver. Federal officials in charge of the closed bank refuse to give reasons leading to the step, further than to declare positively that the institution is insolvent, but bank officials are indignant, declaring the step a high-handed outrage, and utterly uncalled for.

Cashier Richardson declared there was no reason for the step. "This is the most outrageous piece of high-handed injustice ever perpetrated," he said today. "The examiner arrived this morning and simply closed us up."

The last statement shows resources and liabilities of \$1,861,330.96.

East Bridgewater, Mass., Sept. 5.—While crazed by sickness and despondency, Kimball E. Sheldon, aged 76, one of the wealthiest and most respected citizens here, killed his wife during the night and yesterday was found dead in the bath room of their home, having taken his own life after he had slain the woman who for 50 years had been a devoted wife.

### ANIMAL SHOW TRAGEDY

Panic Among Women and  
Children at Coney  
Island

Fearfully Gashed Falkendorph Lay  
Under Paw of Royal Bengal  
Beast at Bostick's.

New York, Sept. 5.—Heinrich Falkendorph, bearing an international reputation as a daring trainer of wild animals made his last appearance in the arena of Bostick's at Coney Island Friday afternoon, when he narrowly escaped death. While panic reigned in the audience pandemonium in the barred arena, Falkendorph, torn and bleeding, lay prostrate under the heavy paw of Rajah, a Bengal tiger, only a few months out of the jungle. His scalp had been almost torn from his head. His face showed ghastly white under the streaks of blood, and only the convulsive movements of his chest showed him to be still alive.

Rajah, the dread but beautiful beast, stood over the figure. His right forepaw rested lightly on the chest of the trainer, the jungle sign that the victim was his captive. His body was motionless but for the tail which was stretched out straight and flicking slightly from side to side in sign of anger. His eyes blazed and his lips were curled back in a snarl over the cruel yellow fangs. The animal was plainly ready for the kill and should the paw suddenly straighten out and descend upon the head of the man it would have been crushed in like an egg shell.

It was but a moment that the picture lasted. The crowd of 300 persons, principally women and children stood silent, fascinated by the horror of the scene. Then the tension broke and with screams of terror they turned and fled, panic stricken.

By keeping the entrances and the aisles clear, the men succeeded in emptying the building in a few minutes, while all got out safely.

While this scene was being enacted the great tiger, surprised at the uproar all about him, as the four lions and the other two tigers in the arena began to roar and scream and dash about the barred space, keeping clear, however, of Rajah and his victim, stood motionless.

William Rivaldo and Joseph Ricardo, trainers, armed with sharp tridents and with revolvers loaded with blank cartridges, reached the cage door and began firing rapidly and ran to the side of Falkendorph. Rajah had not moved. With all the force at their command the two trainers drove their tridents into the shoulders of the snarling beast. At the sting of the sharp barbs Rajah shrank back and was finally driven into his cage.

A hurry call had been sent for Dr. John Pierce, of West Eighth street, who took 35 stitches in the injured man's scalp. He will be frightfully scarred for life.

Falkendorph regained consciousness last night. Unless there is trouble with blood poisoning he will probably recover.

DENOUNCED BY STARVING CITI-

ELABORATE LUNCHEON.

Police Were Compelled to Beat Off  
the Crowd and Number of Per-  
sons Were Injured.

Glasgow, Sept. 5.—With cries of denunciation against city corporation officials for extravagance in giving an elaborate luncheon today in honor of Prince Arthur, while thousands of citizens are in want, a crowd of socialists and unemployed attempted to mob the prince and to storm the hall where the luncheon was served. Police escorted the Prince from the station to the city hall. All along the mob jeered and hooted the prince and the police were compelled to beat off the crowd on numerous occasions. A number of persons were injured.

## DENIES LIQUOR DOMINATION

Democratic nominee for governor of Ohio, who in a strong letter asserts that his candidacy is free from dependence upon any faction.

ing out that the Republican party in years gone by trained with the liquor interests, as he puts it, "getting their solid support in return for promises of protection."

Further than that Mr. Harmon charges that Governor Harris, who has declared in a speech that temperance is the chief issue of the campaign, owes his office to the support of the liquor interests and gives circumstances where the chief executive refused to preside at this city during the last municipal campaign when Governors Folk of Missouri, and Hanly, of Indiana, addressed mass meetings in favor of good government.

Coming as it does on the eve of the opening of the Republican campaign the statement of his position, embodied in the letter to Mr. Bean, is nothing short of a sensation. The letter, which was written from Charlevoix, Mich., on September 3, is as follows:

"Friend Bean: I appreciate very much the friendly interest which prompted your letter of the first instant. It was good of you to take the trouble to write me as you did.

"Our convention refrained from saying anything on the subject of temperance in the platform or other-

## CITY INSTITUTE

WILL OPEN AT HIGH SCHOOL  
TUESDAY AFTERNOON, SEP-  
TEMBER 8TH.

Noted Instructors Have Been Secured  
and All Teachers and Citizens  
Are Invited.

The Newark City Teachers' Institute will open at High school building on next Tuesday at 1 p. m. A noted corps of instructors have been employed and all citizens are cordially invited to attend.

Miss Jessie Newlin, University College of Chicago university, will instruct in reading. She has no superior as a teacher of this branch. Miss Newlin is also a dramatic reader of marked ability and an institute instructor of wide and successful experience. Her work was highly satisfactory at Toledo, Salt Lake City, Saginaw, etc., and the press, superintendents and training school men commend her in the highest terms. Her subjects will include the following:

The Reading Lesson a Lost Opportunity; The Fundamentals of Reading; Standards of Criticisms; Class of Children from Fourth Grade; Class Room Aids in Teaching; Reading Lesson as Culture; Question Box.

Dean Henry G. Williams of the State Normal college, Athens, will deliver an address at 10:30 a. m. Wednesday on the subject, "Educational Value of the Ideal." Dean Williams is a well known educator, editor of The Ohio Teacher, dean of Ohio Normal college, and an author, writer and public speaker of distinction. He was the state manager of Ohio for the National Educational Association this year and no state ever made a more creditable showing. The dean and Prof. T. Otto Williams, principal of the Newark High school, are brothers.

Dr. Henry Suzzello of Teachers' college, Columbia university, New York, will give lectures covering all school subjects. The following will be included:

Education as a Means of Social Control; Social Conditions and School Organization; Social Morality and School Discipline; The Social Meaning of Memory in Method; The Social Significance of the Use of the Feelings in Method.

Dr. Suzzello has a national reputation as a lecturer on educational topics. The week before coming to Newark, he addressed the teachers of Columbus and the week previous to that he worked in the city institute at Cincinnati. He is certainly a man with a message, and we are fortunate in securing his services.

Dean H. C. Minnich of the Ohio State Normal college, Miami university, Oxford, O., will make an address on "How to Get on After the Train Starts." As all are likely to suffer for lack of this knowledge, the dean will receive an enthusiastic reception. Dr. Minnich has an extended experience in all kinds of public school work including teaching and superintending, and is now dean of Ohio State Normal college. He is a graceful and fluent speaker and one of the leading school men of the state.

With four such noted instructors—two from the foremost teachers' colleges in the United States and two heads of our State Normal schools—the teachers and citizens of Newark may look forward to a week of rare pleasure and profit.

## AMUSEMENTS

The Dram-O-Tone talking picture company that opens Monday matinee at the Auditorium, and who will be there all the week, with the exception of Wednesday, September 9, the date of John W. Vogel's Big City Minstrels are well known in the larger cities, and they are competent to act upon any stage.

Miss Josephine Crawford of the diabolical gown fame, is a singer of special ability. The opening Dram-O-Tone picture will be Thomas A. Edison's great film, "The Tale of the Autumn Leaves Told." This company is the same that has created great interest in talking pictures in general, in all of the larger cities of the country. The construction of this film combined with the highly artistic efforts of the company producing it here, makes the entertainment realistic and true to life, giving a full evening of complete dramatic entertainment. The engagement is for one week only.

There is no sign of lessening of the public interest in the coming engagement of John W. Vogel's Big City Minstrels to the Auditorium theater next Wednesday evening, September 9th. The sale of tickets started this morning the usual demand indicating a tremendous house.

The extraordinary feature of the selling is the class of people seemingly eager to do homage to Mr. Vogel's endless chain of celebrities, two thirds of the seats having been sold to the patrons whose goings are generally confined to operatic or concert offerings.

However, the standard of excellence established by this organization, vocally speaking, is on a par with the major portion of the operatic presentations, this fact, perhaps, being the cause of the unprecedented demand.

Edward J. Moore, of Wheeling, was in Newark during the past week in conference with the management of the Auditorium theater. Mr. Moore is considered the one man who is thoroughly posted on the theatrical situation in Ohio. West Virginia and Western Pennsylvania, both from the standpoint of the wants of the theater

goers and from the managerial view point.

Mr. Will D. Harris' party will leave the coming week for the City of Mexico to prepare for the opening of Luna park, which Mr. Harris will operate during the coming winter. The management expects to open the park next month. Accompanying Mr. Harris and his family will be Mr. Bernard Smith, his secretary, and Mr. Louis Meyer, who has been associated with Mr. Harris for some time past.

THE MOST IMPORTANT QUESTION

CONFERENCE  
EXERCISES AT  
AUDITORIUM

Will be Held Sunday Morning and a  
Sermon Will be Delivered by  
Bishop Mills.

The United Brethren conference, which has been in progress here during the past week, will close with the exercises of Sunday morning, which will be held in the Auditorium, owing to the fact that the week day and night crowds have been beyond the capacity of the East Main street edifice, and the 300 delegates and visitors will be reinforced by possibly 300 additional visitors to hear the conference sermon which will be delivered by Bishop J. S. Mills, of Annapolis, Pa.

The service in the Auditorium will begin at 10 o'clock and special anthems and solos will be furnished by

BISHOP J. S. MILLS.

Who will deliver the conference sermon Sunday morning at Auditorium and augmented choir under the direction of Prof. W. W. Flora.

The visiting pastors will occupy the pulpits of the city Sunday evening. The following assignments have been made:

Fifth street Baptist, Rev. G. W. Hendrickson, of Westerville.

First M. E., Rev. S. F. Daugherty, Otterbein university pastor.

Central Church of Christ, Rev. J. E. Comer, Circleville.

Central Union (Pine street), Rev. Francis Warren, Cincinnati.

First Presbyterian, Rev. W. E. Reibel, of Columbus, recently a missionary to Africa.

Bishop J. S. Mills, D. D., LL. D., who preaches the conference sermon at the Auditorium Sunday morning, was born in Washington county, O., in the year 1848. He received his education in the Bartlett academy and in the Illinois Wesleyan university.

He has also visited the leading universities of this country, England and Germany. He entered the university at the age of 20 years, and served as pastor and presiding elder for 17 years. In the year 1887 he was invited to a professorship in Western college, Toledo, Iowa, in which capacity he served for six years. He was elected to the office of bishop in 1893 and has rendered efficient service in this capacity for the past 15 years. Some eight years ago Bishop Mills

made an episcopal visit to the U. S. work in Germany and also to the western coast of Africa, where the U. B. church has conducted flourishing and extensive missionary operations for many years. He recently returned from an official visit of several months to the mission fields in the Philippines, China and Japan.

The Friday morning session was devoted to conference business and addresses by the Rev. Dr. Lewis Bookwalter, president of Otterbein university, and by Dr. Thompson, representing Bonebrake seminary, Dayton, O. This seminary was formerly the Union Biblical seminary, but under a gift of land from the Bonebrake family, realizing the institution about \$50,000 the name was changed. Former State School Commissioner Bonebrake is a member of this faculty.

The afternoon was given over to the memorial exercises which were impressive throughout.

Following the Sunday school rally in the evening and addresses by W. A. Smith of Columbus, and Dr. W. O. Freis, 200 of the visitors were taken to the mammoth plant of the A. H. Seisey company where they were given an interesting exhibition of one of the city's big industries. Mr. A. H. Heiser personally took charge of the visitors and gave them a highly interesting and instructive view of the workings of the big concern.

Saturday morning Bishop Mills opened the session with a comprehensive lecture on "Ideals of Our Ministry," which was followed by general conference business and discussion.

The afternoon session was opened by devotional exercises conducted by Prof. N. E. Cornett, followed by general business. In the afternoon the young people's rally was conducted by the Rev. L. J. Hopper, president of the Southeastern Ohio branch of the young people's movement.

This evening addresses will be delivered by the Revs. W. H. Howard and J. W. Miles of Wellston, O.

The regular evening service at the East Main street U. B. church will be held Sunday at the usual hour, the Rev. J. W. Willis of Logan, preaching. Sunday school will be conducted also at the regular hour at the church. There will also be the usual Christian Endeavor meeting.

## Sponge Talk

There is no article of merchandise embracing more grades and qualities than Sponges. From the cheapest "grass" sponge to the finest "silk," there are numerous kinds and various grades of each, both in "forms" and "cuts."

For buggy washing, for bath, and in fact for any purpose where a good, tough wearing sponge is required, there is none so good nor none more economical than a ROCK ISLAND SHEEP'S WOOL SPONGE. We have just received a splendid bale of these, direct from the fisheries. They are all "forms," just the proper size and of first quality. We bought them right and have priced them at 25c each, which is extremely low for the size and quality of them.

Skilled Counterfeiting.  
During the rush of business at the Murphy grocery Saturday one of Mr. Murphy's customers entered the store and after making some purchases tendered in payment what appeared to be a five dollar bill. Soon after he left the store Mr. James Murphy picked up the bill and glancing at it saw the eagle stamped on it. Being familiar with the appearance of the different denominations of bills, he immediately saw that it was a one dollar bill raised to a five. The work was very skillfully done, and to the uninitiated would readily pass anywhere. Mr. Murphy says the party passing it is perfectly innocent, as not one in a hundred could tell that it was a raised bill.

## ALL THE SAME TO CONGRESSMAN W. A. ASHBROOK

The Coshocton Times has information that the Republican Congressional committee are likely to name Mr. C. B. McCoy of that city to fill the vacancy on the ticket for Congressman. McCoy is a well known Foraker champion and if he is named and accepted he will not be possessed with any hope or expectation of being elected, but he will look strictly after the Foraker interests in the Seventeenth district, much to the discomfiture of the Republican faction that are lined up to eliminate the Senator from Ohio politics. The Times calls upon the Republican brethren to trot out their candidate and remarks that our popular Congressman, William A. Ashbrook, would just as lief beat a Foraker shouter as a Taft boomer.

The government has a case against the DuPont Powder Trust, the hearing of which begins on September 22. But how can the government successfully prosecute this Trust-busting case when General DuPont himself is one of the Taft campaign managers? Why was DuPont chosen by Taft as the head of the national Republican speakers bureau when an alleged effort is being made to "bust" his Powder Trust by the administration? It certainly looks like a clear case of sham and fraud.

## WORKMEN ASK U. S. COURT ABOUT TAFT'S LABOR RECORD

(Cincinnati Post.)

There were five telephone calls within an hour Friday at the United States Circuit court for information regarding the decision of Judge Wm. H. Taft, Republican Presidential candidate against Eugene Debs, and Frank Phelan, president of the Railway Employees' Union.

Debs and Phelan were sent to jail by Judge Taft in 1894 as an outcome of the country-wide railroad strike.

"Five requests for information in a day is a new record," said William Riley, one of the clerks in the court. Since Taft was nominated more than 50 men, evidently workmen, have called and asked about the decision. We've had nearly as many telephone requests."

In his speech at Minneapolis Mr. Bryan has ably and eloquently maintained the Democratic principle that all taxation and expenditure not necessary for economical government are nothing less than a crime against the people. Herein lies an essential difference between the Democracy and the party in power. With the elements that control the Republican party it has always been a matter of indifference how lavishly they expended the money gathered from the people by taxing their necessities and comforts of living. In this unconcern for the masses of the people is the only explanation of a prodigality of expenditure which is without example in the history of the most wasteful and despotic governments of ancient or modern times.

## LABOR DAY

Committee of Trade and Labor Council Promise a Good Program for Monday.

Only one more day remains until Labor Day. The Labor Day committee of the Trades and Labor Council has worked hard to make the big Labor Day celebration at Idlewild park on Monday a grand success, and if the weather is favorable one of the largest crowds ever assembled at the park will no doubt be present, as the committee has arranged one of the largest and best programs of amusement ever before prepared. Do not be misled by the advertising program which has been published, as it is not the official program by any means.

The handsome list of prizes for the numerous events are on display in the window of Bensancy & Herneberg. These beautiful and valuable prizes

have been donated by the business men of the city.

Several prominent speakers have been invited and will be present to deliver the Labor Day addresses.

No admission will be charged to the park, and everything will be free. All in all the committee promises the biggest Labor Day celebration ever held in Newark, and there will be something doing all the time. Let everybody come and make this the largest and grandest celebration ever held.

## NOTICE TO BUSINESS MEN

The fake advertising program published for Labor Day is not the official program, and nobody should be misled by the same.

## HIDDEN DANGERS.

**Nature Gives Timely Warnings That No Nervous Citizen Can Afford to Ignore.**

**DANGER SIGNAL NO. 1** comes from the kidney sections: They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

**DANGER SIGNAL NO. 2** comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Newark proof:

C. E. Walton, 129 Valendingham street, Newark, O., says: "A few years ago I gave a statement setting forth the merits of Doan's Kidney Pills and at the present time, I gladly confirm that testimonial. Prior to using this remedy my kidneys were inactive for a number of years and caused dull pains across the small of my back which often changed to sharp twinges. The constant standing necessary in my occupation greatly aggravated my trouble and at times I suffered misery. Hearing of Doan's Kidney Pills I procured a box at Crayton's drug store, started taking them and they quickly banished every sign of my trouble. I think very highly of Doan's Kidney Pills and am constantly recommending them to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**Pleaded Guilty to Charge.**

A very unpleasant case of disturbance between two neighboring families was settled in the Probate court Saturday morning. The complaint had been filed in the juvenile department of the Probate court some days ago by Henry Stillion of Alexandria, charging Elizabeth Pickens, Clarence Pickens and Ralph Pickens with being delinquent and using insulting and abusive language toward him and his family. A large number of witnesses were summoned on each side and Smythe & Smythe appeared for the prosecution, and Kibler & Montgomery for the defendant. After a conference between the attorneys on both sides of the case, the defendants were arraigned and pleaded guilty to the charge. The court then administered a severe reprimand and caution to the defendants about their future conduct and fined the father \$5.

Now in order, but we guarantee Fortune Heaters not to sweat—no matter how warm the days or cool the nights may be. Do you know that many homes in our beautiful city are made comfortable with a Fortune? The manufacturers refuse to sell Fortune Stoves at the extremely low prices at which they were introduced into this territory, and when our present stock is gone higher prices will prevail. Do not wait for advanced prices. Delays are not profitable.

Lima, Sept. 5.—The wildness of Webb was the primary cause of Newark losing the first game of the series yesterday, although the failure of the eight men behind to hit Parsons contributed to their defeat. Webb did rap out a pretty bingle, as did McClintock, Smith and Whitten, but four hits, as a general rule, won't win ball games, and in this instance they failed to come even close to taking the first contest of the last series on these grounds.

A fairly good week day crowd was present, for Newark always draws well here, the home of the coming Columbus Champs. Smith scored the only run for Newark in the fifth inning when by a succession of sensational steals he managed to reach home through the medium of a hit. Extra base hits were numerous for Lima, and a home run, a three bagger and two two sackers and a few singles were gathered off of the coming Toledo heaver. The heavy work started right off the reel, for in the first frame the Cigar Makers sent two runs across the plate. In the next inning they counted again, and in the fifth they sent three runners home. The seventh saw the final tally cross for the Columbus Cast-off's.

The same teams are playing today

The Old Homestead team and the Patterson team will play tomorrow

Davy, of Mansfield, handled nine chances in the Mansfield-Lancaster game yesterday, but he spoiled his work with one error.

afternoon at 2 o'clock on the grounds of the King company. The teams have both been successful this year, and a good game can be expected by their supporters.

The Newark outfield was given a good workout yesterday, Smith handling six putouts, Abbott four and Winters one. Not an error was recorded against them.

Eichelberger of Lancaster, and Farrell of Marion, were the strong men with the stick yesterday. Out of four times at bat Eichelberger got three hits, while out of five times up Farrell hit safely three times.

The game scheduled for Wehrle park tomorrow afternoon between the Hermanns and the Interurbans of Columbus, will, without a doubt, be one of the best amateur contests of the season between an amateur and semi-professional team. Del Mason, formerly a pitcher for Mt. Vernon and Idlewild during the old "Protected" days, will be one of the twirlers for Columbus. Flick, formerly a player with the old Idlewild team, is managing the Interurbans. The line up of the two teams is as follows: Interurbans: Conwell 3b, Francisco c, Flick 1b, Hamilton 3b, Buch ss, Trautman lf, Harlow m, Mays rf, Mason and Munk p. Hermanns: Hook 3b, Farrell rf, Smith ss, McCarthy c, Laudenslager 1b, McGlue 2b, Lewis lf, Kennedy m, Winters or Allen p. The game will be called at 3 o'clock.

## CONFERENCE

Between President Quinn and Hermann of National Commission Relative to Drafted Men.

President Quinn of the Ohio State League conferred yesterday in Cincinnati with Chairman Hermann of the national commission, relative to the process by which the sale of White, Tate, Justus and Channel to Class A clubs had been set aside and drafts of these players by major teams allowed.

Admitting that the action, according to baseball law, was permissible, Mr. Quinn went on to show where the ruling worked a hardship upon the interested clubs of the Ohio State league and at the same time prevented both members of Class A leagues, from going into the open market and purchasing talent.

White was taken by draft from Lancaster for the pailty sum of \$300. Columbus is willing to pay \$1250 for him. A sum of \$950 is no small item to a team of a Class D league. It is only natural that President Davidson of Lancaster and President Wollenweber of Marion, the club from which Tate was sold to Atlanta, should have a right to dispose of their players to the highest bidders. Under the present system that privilege is denied them.

Relief may be provided soon by the national commission. Chairman Hermann advised Mr. Quinn to have the attention of the commission called officially to the fact that Class A clubs had entered into bona fide deals for certain Ohio State league players previous to the drafting season. This will be done.

During the course of the discussion Mr. Hermann asked: "Why did you not have the players report to Columbus before August 23, and so establish title to them under the laws as they now stand?"

It was soon made plain to him that the Lancaster and Marion clubs were engaged in a pennant fight and that the owners would not part with their stars, even if they never sold them.

Union made clothes, hats and shirts at Hermann's, the Clothier. 2

## HAL CHASE JOINS THE OUTLAWS

New York, Sept. 5.—Hal Chase, the first baseman of the Yankees and—in the opinion of all the old baseball men in the country—the greatest first baseman in the game has ever known, threw up his job with the club Friday afternoon and left last night for his home in California. He was disheartened by the accusation that he had been laying down in the continued slump of the team. When his team mates went on the field at American league park for the final contest with the Athletics, Chase was not among them.

TO TONY PASTOR.

The following poem was written by Miss Fannie Donovan, the jolly little comedienne, appearing at the Grand this week in commemoration of the late Tony Pastor, with whom Miss Donovan traveled for three seasons:

The play is o'er, the curtain's dropped,  
And all seems sad and still,  
The dean of vaudeville has gone,  
And his place no one can fill.

Dear old Tony Pastor,  
Who was loved by one and all;  
And known to never close an act,  
Whether it was big or small.

The actor he would always help  
In any case at all.  
And charity was his strong hold  
At every beck and call.

He was loved and revered by everyone.  
Loyal, staunch and true.  
And his purse was always open  
To not one, but quite a few.

How the children of New York  
Will miss their Xmas tree each year.  
And many little hearts will sigh  
For Tony, they loved dear.

His songs will live forever  
And his many kind deeds, too.  
And the tears course down my cheeks  
For I am sad, depressed, and blue.

It was God's will that he should go,  
And God's will be done.  
We hope he's happy in heaven above  
For he was loved by everyone.

## Liver Pills

Ask your doctor if he knows a better pill for a sluggish liver than Ayer's Pills. Then follow his advice.

It is impossible, simply impossible, for any one to enjoy the best of health if the bowels are constipated. Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. ## MORE ABOUT WATER

Do you say you are boiling your drinking water? Very good. Boiled microbes are less harmful possibly, but scarcely more appetizing, are they? Then you know you boiled the revivifying element all off and you are drinking dead matter that is clogging instead of cleansing, your system. Then don't forget the decomposition of those same germs, and the beautiful breeding ground formed thereby for myriad hosts more of the same character. Bottle some of the boiled water and set it away. Set a bottle of Chalybeate Spring Water by the side of it. Then after awhile go see what you have. You can leave it a few hours or a few weeks and the difference will become more apparent with each day.

Chalybeate Spring Water is pure. It is alive. It is healthful. You can't possibly make a mistake by drinking it exclusively. We deliver samples free. Ask for some. Office 16 1-2 North Park Place. Phone 7131 Red.
